## Gary has been helping people with free and low cost classes and workshops since 1973.

Gary has given over 1200 talks on nonduality worldwide. He has written 12 books, over 50 audiobooks and several DVD's. Since 1988 he has taught a weekly class on A Course In Miracles in New Orleans. The class is free and open to the public. It is among the longest running, continuously given, ACIM classes given by the same instructor, in the USA. Windhorse Corporation has been hosting Gary's talks and workshops, books, audiobooks, DVD's and MP3's since 1993. His focus is communicating the message of nonduality in the traditions of A Course In Miracles, Advaita Vedanta, Zen, Dzogchen, Taoism, and Mahamudra. These meetings are talks about love, peace, and contentment. Like the channeled Course in Miracles, Gary talks about facilitating channels of 'higher-self' communication like Cayce, Seth, Abraham, Lazaris, Emmanuel, Orin, and others. He talks about mind-body-spirit awareness, quantum physics, reality, and illusion. He talks about healing relationships, expanding consciousness, gaining self-realization and enlightenment. His focus is on personal empowerment, turning to the heart and to our own direct experience. All are welcome. Gary offers no new mission, no particular outer path, no god-given purpose or new quest. There are no new beliefs and no 'to do's' to add. He requires only two things; first, honest ENQUIRY and observation. And second, the courage to drop (ie. not value) what is not real, and value (ie. recognize and rethink) what truly is.

**Over the years, Gary has had his talks and written works admired by several notables. His reviews are OVER THE TOP!!! FOR EXAMPLE, he has received *great reviews* from; Ken Blanchard (One Minute Manager, Art Linkletter (Entertainer), Michael Leboeuf (Working Smart), John Mason (An Enemy Called Average), Scott Alexander (Rhinoceros Success), Cheryl Prewitt Salem (Former Miss America), Dan S. Kennedy (No B.S. Marketing to the Affluent) Gary Copp (President Speedy Oil Change), Van Musso (How to Retire Rich and Stay Rich), Rocky Bleier (Four-time NFL Superbowl Champion), Dr. Gregg Thomas Christian Faith Ministries), Ben H. Love (Past President, Boy Scouts of America), and others. He received written cover quotes from Kriananda, Neale Donald Walsch (Conversations With God), Brian Weiss (Many Lives, Many Masters), Michael Smith, Joan Borysenko (The Power of the Mind to Heal), James Redfield (Celestine Prophecy) and others.**
